The screenshot shows a Webex Meeting window. The main content area displays a presentation slide titled "Q1-Digital Marketing Report". The slide features a pie chart titled "Cost ratio by platform" with three segments: 68% (black), 22% (green), and 10% (grey). A legend at the bottom right identifies the segments: Company A (black), Company B (green), and Company C (grey). A woman is visible in the bottom left corner of the slide, gesturing with her hands. On the right side of the meeting window, there is a vertical list of participants, each with a small video thumbnail and a name tag. The bottom of the window shows a control bar with buttons for Mute, Stop video, Share, and other meeting controls. A watermark in the bottom right corner reads "CREATED USING POWTOON".

Company	Cost Ratio
Company A	68%
Company B	22%
Company C	10%
